

Classic looks and durability

North's Cruising furling selftacker jib are designed to deliver performance, durability and quality.

We provide the most desirable features in a North cruising mainsail, but without some of the features from Cruiser or Offshore Jibs

Exclusive features of North C-Cut Furling Selftacker Jib for Hanse Yacht

- Stainless steel ring with strapped reinforcement
- Webbed loops
- Clew board
- Telltales
- Leech cord with plastic cleat
- Footcord
- UV cover on foot and leech
- Drawstring sailbag
